\*\* Samaritan's Purse Shoe Boxes are here! Filling a shoe box is a wonderful way to express kindness to others less fortunate than ourselves, especially as Christmas approaches and we will all receive gifts. I would like to fill two shoeboxes (one for a girl and one for a boy) as a class project. I have a list of possible items. Please sign your child's name beside one item and bring it to preschool by November 8

**\*\*Monday, Nov 20** SHARING TIME BEGINS!

Please make sure your child knows one or two special things about what he/she is sharing. I have divided the class into three groups. Each group will share on a specific day each week. Please see list below and note which day of the week will be your child's sharing day. Remember, a special present, a homemade craft, something found in nature, or something from another country, all make great things to share.
