

# **NOVEMBER NEWSLETTER**

**MRS. REIMER'S**

**Tuesday and Thursday class**

Dear Parents,

Our students are settling into our classroom routines, and it is a pleasure to get to know them better with each passing week.

November brings new themes to look forward too.

We will learn about shapes such as circles, squares, and triangles.

We will also explore modes of transportation on the road, in the sky, and in the water, using different shapes to create trucks, planes, and boats.

Christmas is coming up quickly, we will start to learn new songs and talk about the meaning of Christmas.
