

# FEBRUARY

## Mrs. Reimer's Tuesday\Thursday Class

Dear Parents,

Welcome to February! This month we will be discovering more about love and our families. We are born into families that we love and love us. We will be preparing for Valentines Day by doing some special crafts and learning songs about love and learning about our families, who is in our family including pets.

If you are wanting to hand out valentine cards we would like to make sure that each child gets one. Here is a class list to help you along.
