

## **The Calgary Society for Christian Education Welcoming Nominations for the CSCE Board**

Members of the Calgary Society for Christian Education (CSCE),

Thank you for your continued support of CCS. It is a privilege to serve as a Board of Directors, and we invite you to join us in praying for the future of Calgary Christian School. There are a variety of topics regularly being discussed at the Board level as we aim to help guide CSCE, and the impact it has on families and stakeholders. **You have an opportunity to join us in this endeavour and help influence the future of CCS!**

At this time of year, we are gathering nominations to replace three directors who have faithfully served their terms. New directors will be elected at our Spring AGM, with the new 3-year term starting in June, 2018. As we look forward to the future, there are a few specialized skill sets we're seeking. These include expertise in: finance and/or accounting, marketing, business, or building/construction. We would ask you to prayerfully consider if you would like to serve in this way, or nominate someone from the CCS community.

### **The Process:**

1. The Board will collect nominations of those from the Society willing to serve a 3-year term. Nominations should be received no later than **Friday, March 9, 2018** to ensure candidates can be fully vetted.
2. The Board Nominating Committee will review the nominations. This includes a verification of their Society Membership, as well as a phone or in person meeting to ensure that they are willing to serve, and understand the time commitments and expectations of the role.
3. The Board will finalize a slate of candidates, and present this list, along with biographies, to the Society prior to the Spring AGM. The vote will take place during the Annual General Meeting on May 15, 2018.

If you do not feel you are able to volunteer for this opportunity, but have suggestions for individuals who you feel would be an asset to the CSCE board of directors, please pass those names on to the email below, and the Nominating Committee will contact those individuals to see if they are willing to serve.
