We are pleased to announce that Lloyd Boody has been appointed to the role of Director of Human Resource Services for Palliser Regional Schools commencing August 27, 2018.

Lloyd started his teaching career in 1987 at Prairie High School, now Prairie Christian Academy, located in Three Hills, Alberta. After a 10 year teaching career, he transitioned into administration as an Associate Principal, then later assumed the Principal position at Trochu Valley School. In August of 2002, Lloyd accepted the Associate Principal position at Three Hills School until 2005, whereupon he accepted the Principal role with Three Hills School from 2005 until he joined Palliser Regional Schools in 2016 as Principal of Calgary Christian Secondary School. Lloyd brings a wealth of knowledge to the role of Director of Human Resource Services with his 21 years of administrative experience.

Holding both a Bachelor of Education in Secondary Education and Physical Education from the University of Calgary, Lloyd also obtained a Master of Education in Policy and Administration from the same university in 1997.

As a veteran Principal, Lloyd has been paired with many beginning Principals under the ATA – *Alberta Education Leader 2 Leader Project*. He has had the privilege of mentoring and witnessing 10 former colleagues go on to assume administrative roles within their respective Districts. Lloyd is also a member of the *ATA Professional Development Administrator Corps*, and with this membership, he has taken many opportunities to present various seminars at Teachers' Convention and other Professional Development gatherings.

Passionate about positive student experiences, Lloyd is driven to invest in Palliser Staff so that students are provided with excellent and enriching learning opportunities.

With his continued participation with the Administrative Council, Lloyd looks forward to deepening relationships inside the family of alternative schools in and around Calgary, as well as building trust with stakeholders and students across Palliser Regional Schools.

Congratulations Lloyd!
