

PALLISER REGIONAL DIVISION NO. 26 VOLUNTEER AUTOMOBILE DRIVER AUTHORIZATION

Volunteer drivers must inform their insurance company of their intention to use their automobile and to act as a volunteer driver for Palliser Regional Division No. 26 school activities. Most insurance companies do not require an additional premium charge (or more than a nominal charge), because this service is classified as occasional and is not done for compensation.

- A minimum of \$2,000,000 public liability and property damage coverage must be in force on the automobile insurance before a volunteer driver may use his/her vehicle to transport students**
- A current driver's abstract has been provided to the school.**

Note: The Board is unable to provide liability insurance protection for individual drivers, beyond that provided under the driver's own automobile insurance while the volunteer drivers are transporting students in their own automobiles on a school-sponsored activity or function.
