- With the exception of French and Spanish, all final exams will be written in the morning. French and Spanish exams will be written in class.
- Students are expected to be in their exam location by 8:45am.

• **High school students must bring their student identification or some other form of valid photo identification with them to the exam.**

- Students must remain in the exam location for one hour after the final exam has started. Students may not enter the exam location after an hour has passed. Also, students may not return to the exam location after they have left.
- No electronic devices of any kind are allowed in the exam location. Any student found to have an electronic device on them will have their exam taken away and will receive a zero on that exam.
- Students must write the exam at the time indicated on the schedule. The only exception to this rule is if a student has more than one exam happening at the same time. If there is a conflict between a diploma exam and a school final exam, the student will write the diploma exam at the designated time and alternative arrangements will be made for the school based final exam.
- Students are encouraged to attend tutorials as arranged by classroom teachers throughout the exam break.
