

Upcoming Events and Activities at the Elementary School (2014/15)

Jumptastic - This event focuses on healthy and active living and will take place on February 9, 2015. There is a small fund-raising component to this event, which benefits CCES and the Heart and Stroke Foundation.

Talent Sharing - Students will be given the opportunity to share their unique talents in different ways throughout the year. Special presentations will be shared within homerooms and with buddy classes. Students who have musical talents that they would like to share with their peers will be given the opportunity to do so in music class.

Class Coin Collection - Over the course of a designated week, each class will bring in coins to try to fill a jar in their classroom. The class that collects the highest \$ amount will win a pizza party for their class. Proceeds from this activity will go to support the Prairie Centre of Christian Education.

Celebrating important people in our lives: Parents, grandparents, other family members and friends are invited and encouraged to join us at our weekly chapels and worship times on Tuesdays from 2:45-3:15. A special time to consider coming would be when your grand/child's class is designated to lead chapel for that month. Going forward, grandparents and local seniors are highly encouraged to join us at our Remembrance Day chapel as well.

Fine Arts Night – In conjunction with the High School we take this opportunity to celebrate the artistic talents of our students. The Elementary students will have a chance to view the displays in the afternoon; parents are invited to the Secondary Campus to see the arts of all CCS students.

Sports Day - This will be a leadership opportunity for our grade 6 students, who will be leading Sports Day this year. K-2 will participate in Sports Day in the morning, and 3-5 will participate in the afternoon. This event will take place in May.

Hike - This fund raising event will take place in September 2015. The focus of this event is beginning of the year community-building.

Spirit Days - Various days throughout the year where students can choose to participate in school wide events: to dress up, PJ's day, crazy hair day, book character day, etc.

Class trips - Will continue to take place throughout the year for curricular support and celebration.
