

CSCE - Welcoming Nominations for the CSCE Board

Members of the Calgary Society for Christian Education (CSCE),

As the Board, we want to thank you for your continued support of CCS! During our monthly meetings, we are privileged to hear the myriad of ways that God's presence and grace has held our school for over 50 years, and we are glad to join you in praying for what the future has in store for CCS.

At this time of year, we are gathering nominations to replace some directors who have faithfully served their terms. If you would like to serve or to nominate someone from the CCS community, please let us know as indicated below.

The Process:

1. The Board will collect nominations of those from the society willing to serve a three year Board term. The deadline for nominations is **March 31, 2016**.
2. The Board will review the nominations, verify who is willing to serve and ensure time commitments and expectations are understood.
3. The Board will make best efforts to present the Society with approximately twice the number of names that we need to fill our vacancies, along with biographies, prior to the vote which will take place on Tuesday, May 17 at our Spring Society meeting.

2016 will bring a close to the terms of three dedicated Board members and as we look forward to the future, there are a few specialized skill sets in need. These areas include expertise in legal, financial/accounting and building/construction. Diversity including culture, gender and representation of Elementary, Middle and High school interests is essential within the Board.

Please include these needs in your prayers. If you would like to nominate someone, please speak with them first to confirm their interest, and submit their name to us for follow-up:
