The greenhouse that provided our spring plants for the last decade no longer provides spring plants so we have found a new supplier - **Central Alberta Greenhouses**. The quality of their product is excellent but we have less control on quantity of colour selection.

All forms must be submitted to the secondary office by March 23.  
All orders must be accompanied by payment.

**Pickup date will be May 24.**

You will be informed by email and/or phone when the plants arrive.  
**ALL ORDERS MUST BE PICKED UP ON THE SCHEDULED DATE.**  
We are not responsible for plants left after the scheduled date.
