Monday/Wednesday/Friday – 4 Year Old Class
June Newsletter 2017

June already! Where has the year gone?

I have thoroughly enjoyed working with your children and watching them grow. It has been a wonderful year! They have all done so well and will have a great year in kindergarten!

I have also enjoyed getting to know you, the parents, and hopefully will see some of you again down the road. Thank you for all your support and help throughout the year.
