

# June News

Mrs. Korver's Class

## Happy Father's Day!:

We will be celebrating our fathers and the other special men in our lives this month! We are truly blessed to have these men in our lives. I am looking forward to hearing all about them, and why the kids think they are special!

## Jonah and the Whale:

Our Bible story this month will be the story of Jonah, and how God kept him safe in the belly of a whale. I hope the children will start to learn that they can trust God in all things.

## Under the Sea:

In this last month we will be exploring the world under the sea. We will read stories about some of the beautiful creatures God has created to live there. We will have some fun with the idea of going camping in our dramatic play center. We will be playing in a sandbox full of seashells, and trying our hand at fishing. It's going to be fun!

## Please Note:

June 14/15 - Pirate Day! Please dress up if you are able.

June 19/20 - Last day of preschool!

Please bring a water bottle to school for your children. It can get warm in our classroom.

**We are finished with our SHOW 'N TELL for the year. Thank you for participating!**
