

The Calgary Christian School Secondary students collected food donations for the Veteran's Food Bank.

Every year the The Legion puts out a contest for students to draw a poster or create a literary piece for Remembrance Day. CCS students Eric (4W) won Alberta's top prize for black and white poster in his age group and Catherine (3S) won 3rd prize in color poster in her age group. This contest was not entered as a class, those who wanted to participate could do so. We are proud of you, Eric & Catherine!

Many Elementary classes incorporated art into their classroom Remembrance Day activities. Pictured is a lovely display created by 3JP.

REMEMBRANCE DAY 2020
