

Welcome to the second issue of the CCS COMMUNITY *Compass*

Our purpose is to share stories and experiences about staff and students, letting parents and caregivers know what is taking place at CCS! This will create opportunities for you to talk and engage your families in conversation at home, and foster support for learning and caring. Do you have suggestions for what you would like to see covered in this publication? Email us at info@calgarychristianschool.com

Experiential learning continues at CCS!

Calgary Christian School teachers are creating opportunities for students to continue to learn in dynamic and hands-on ways despite the current safety limitations. View some of their creative and innovative teaching from both campuses [here](#).

Athletics Update

[Click here](#) to visit the online version of the 2019-2020 ASAA yearbook for athletics. Our CCS boys volleyball team is included and can be found on page 79 as the runner-up of 2A Volleyball. Check out a video of the team in action, linked on page 91. As basketball provincial championships didn't go ahead last year, the final rankings were posted in the basketball pages of the ASAA yearbook.
