Mrs. Beth Gillard

As Mrs. Gillard currently teaches our online learners, you may not have had an opportunity to meet her yet. She took some time to answer some fun introductory questions so that you might get to know our friendly and fun Elementary French/Online teacher.

What do you like to spend your free time doing?/ What are your hobbies?

I'm a mom of two young kids, so I don't have much free time. When I do, I enjoy painting and baking. I also love to go for (easy) hikes in the mountains.

What is your favourite book (or genre)?

I enjoy reading the classics, like "Pride and Prejudice", "The Count of Monte Cristo" or "Anne of Green Gables." One of my favorite things to do when I taught a homeroom before was sharing some of my favorite books for kids, like, "Wonder."

What is your favorite store?

I love to shop local if I can, and looking at local art stores is something I enjoy. However, I do enjoy Michaels in a pinch.

What is your favorite time of day?

My favorite time of day is the morning, after my coffee has kicked in.

What is your favourite colour?

Blue is my favorite colour.

What kind of music do you enjoy listening to?

I prefer music that is fun and uplifting.

What is your favorite movie?
I don't know if I could pick a favorite movie.

What is your favorite restaurant?

I'm looking forward to discovering a new favorite restaurant in Calgary. Normally, I go for Mexican or Italian, so suggestions are welcome!

What is your favorite food and/or treat?

I find it really hard to say no to chocolate.

What is your favorite season of the year?

Early autumn is the best time of the year because the colors are so beautiful and it's not too hot or too cold.

Do you enjoy coffee and/or tea or neither? And how do you like it (cream, milk, sugar, etc.)

I drink coffee with cream.

Do you have any allergies? Or a special diet?

No, but I wish I were allergic to mushrooms because they are gross.
