

Grade 8 students. Ruby and Amaliya organized, advertised, sold, shopped for, and packaged over 350 candy grams for the Middle School (while following all the COVID restrictions). Teacher, Mrs. Bouwman shared: "These girls took on a beautiful project that has brought joy to the MS and put fun into school." The project raised a significant amount of money that will be shared between the Student Council fund and the Calgary Food Bank. What a beautiful way to come together and share the love of Christ.

Way to go, Amaliya and Ruby!
