

DU FAMILY

A NEW CCS FAMILY

Who is in your family? What are the CCS students' names and grades, any other children?

As a new family joining CCS last fall, Nelson and Rebekah are very grateful for God's leading them to this loving and caring community. Their son Lucas is in Grade 6.

What is your favourite family meal?

Our favourite family meal is homemade dumplings with chives and ground beef as fillings. All three of us love dumplings not only because they taste delicious, but also, when it is time to make dumplings, all three of us are eager to roll up our sleeves and work together as a team to enjoy the tremendous family fun in the process. Lucas appears to be very good at making dumpling wrappers.

What is your favourite landmark/activity in Calgary?

Over the weekends from April to October, we would love to park our car at Edworthy Park early in the morning and ride along the renowned Bow River Pathway to enjoy the breathtaking view of Nature in the City. In the winter season, Bowness park is our destination for skating and various other fun winter activities.

What is your favourite activity/pastime to do together as a family?

Biking or hiking in the mountains to embrace the incredible view at the Rocky Mountains and explore God's amazing creation is always on the top of our to-do list over the weekends as a family.

What languages does your family speak?

We speak both English and Mandarin at home and it is quite common for one to ask question in English yet receives the response in Mandarin or vice versa.

Is there a Bible verse that is meaningful or representative to your family?

Joshua 1:9 " Have I not commanded you? Be strong and of good courage; do not be afraid, nor be dismayed, for the Lord your God is with you wherever you go." (NKJV) This is the Bible verse which never fails to bring comfort and encouragement to us under any circumstances.

What are the students' favourite school subjects and are they the same as the parents?

The favourite school subjects for Lucas are math and science as he recently developed growing interest in physics. These are also favourite subjects for Nelson.

What are some holidays that you celebrate and what are some of your family traditions?

Christmas and Chinese New Year are the two most important festivals we celebrate each year. We would order a big meal from our favourite restaurant followed by a joyful movie night.

Does your family have any pets at home?

No. We don't have pets at home.
