I like to keep busy in my free time. When I am not grading papers, I am usually playing sports. In the winter, I am on the slopes snowboarding. In the summer, I am usually playing golf with my friends and family. Spending lots of time with my friends and family is something I really enjoy doing.

What is your favourite restaurant?

This is a hard question! It really depends on my mood. I really like basic food such as Earls or Joeys. Fun fact, I also work at a restaurant on the weekends!

What is your favorite time of day?

I love the morning. I am such a morning person, I get that from my Mom. She always tells me I have a full day's worth of energy before my feet even hit the floor in the morning. I love sitting on the couch in the morning sunlight reading a book with a cup of coffee.
