

# Floor Hockey Is Coming To an End

The grade 6 students have been working hard and have been having lots of fun this year in floor hockey. Unfortunately floor hockey is coming to an end at the end of March. The floor hockey team has been a great opportunity for all the grade six students in it. We would like to thank Mrs. Gooliaff for hosting this great team.

Soon we'll be having a concession stand and fundraiser where you can buy a small bag of chips and a single wrapped candy for only \$1.00 each. This money will be going to the Calgary Flames Foundation. If you do choose to purchase this package it will be delivered to your classroom the Friday before spring break begins. You can order now on the Hot Lunch website.

It's been a great opportunity for all grade sixes to be doing floor hockey this year even though it was a lot different. Why has floor hockey this year been such an awesome opportunity?

***“Well being with the team and having fun because I actually thought that we would never be able to do this because of covid and I was extremely excited when I got to play.”*** - Sophia from 6SG

Mrs. Gooliaff has been working hard with us during Covid 19. She pushed us to work hard for some great opportunity doing this with us. Gooliaff has been cheering for the teams playing this wonderful game her whole life. All of the grade six students have been helping Mrs. Gooliaff. Mrs. G is super fun to play hockey with.:

The floor hockey team has been working hard all year. The team has improved on sportsmanship and skills. Our goalies Blake and Daniel have

saved more shots in this practice than any other this year. Our teams are working really hard at getting better every practice. The floor hockey team is coming to a close. The game has a fun competitive aspect that people are wanting to take home the final win.

***“Yeah I had fun and I feel like there were a lot of better players this year than last year. No offense to the other players. I think if the floor hockey tournament happened this year we would’ve won.”*** said Evan.
