

At the secondary campus, students had opportunities to share kind words, the campus went pink on Feb 17 and staff was appreciated via treats! Way to share love, CCS'ers!

The walls of CCS Elementary were increasingly covered with kind messages and positive affirmations throughout the week! Classes talked about how they can show love and be Community Builders, staff exchanged gestures of kindness, staff and students wore pink and parents showed their appreciation for CCS staff. What a beautiful week!

Pink Shirt Day & Kindness Week
