December 2021	- conversations with society members
January 2022	- dialog with the society for Christian schools BC (SCSBC)
February 2022	- planning sessions with students
March 2022	- round table discussions
March 2022	- group name established and weekly student sessions begin

Purpose

We are always looking to create spaces where our students can experience belonging. As we move through the 2021/22 school year, a new space is being developed that fosters respectful discourse primarily on issues related to sexual orientation and gender identity (SOGI) while ensuring the safety and support of its members. As we work to keep all student experiences in line with our school goals, we will look to ensure that all dialog, activities, and learning will be **rooted** in scripture, **reflect** the person of Christ and **respect** diverse opinions.

This group will be:

- a supervised place for any student interested in engaging with issues of diversity
- about exploring what it means to be made in the image of God
- an opportunity for members from different denominations to learn about each other's stories and perspectives
- providing opportunities for its members to learn about the issues and to develop an understanding of what support looks like, primarily through student story and curated resources representative of diverse opinions and experiences
- about identifying the parent-child relationship as an integral part of the student's support network and developing ways to foster this relationship
- a welcoming place for all students that will not associate their participation with a certain identity
- intended for grade 9-12 students and Mr. Barthel (principal) will be the staff liaison

This group will not be:

- about the promotion of any political agenda or a particular denomination's doctrine
- promoting any kind of sexual promiscuity
- distributing or posting materials on public facing school property
- conversion therapy

Policy Connection

The following policies and procedures apply to this student group:

1. [Safe and Caring School Environments - Administrative Procedure 310](#) - specifically section 2 which states that a caring school environment shall be characterized by:
 - a. freedom from physical, emotional, and social abuse;
 - b. ongoing respect for the dignity of the individual; and
 - c. a presence of demonstrated concern for the well-being of students
2. [Christian Worldview Integration & Oversight Policy \(CSCE\)](#) - all subsections of 1.03 are of significant importance alongside section 2.01(c) which states that we are:
 - a. to welcome and encourage the open, honest, gentle and respectful discussion of Christian doctrine, theology and practice in an atmosphere of humility and love, while at the same time recognizing that the Calgary Society for Christian Education is an educational institution and does not have the function or authority of a church, particularly as those functions and authority relate to matters of Christian doctrine, theology or practice and needs to be a safe place for all members of the school community to engage with God's word regardless of their particular viewpoint on issues of Christian doctrine, theology or practice.
3. Section 35.1 of the [Education Act](#)
4. SOGI Guidelines Coming Soon - 2015 edition undergoing revisions
