

Faith in Action

AT CALGARY CHRISTIAN SCHOOL ELEMENTARY

Students spanning the grades at CCS Elementary are committing to memory Psalm 25 verses 4-5, the theme verse for the 2022/23 school year. At chapels this fall, Pastor Rachel Jesse has shared messages that incorporate the verse into the lives of the students. The slogan **"On the Path"** has been integrated in many ways and can be heard and seen often around the building. The selection and inclusion of a yearly theme verse helps to align the school; who we are and where we are headed.

DIVISION II CHAPEL, STUDENTS SING OUT WORSHIP LYRICS: **"IN MY FATHER'S HOUSE, THERE'S A PLACE FOR ME. I'M A CHILD OF GOD, YES I AM."**

Calgary Christian School students, teachers and staff are **"On the Path"** together. Our infallible identity as God's Children is constructed and reinforced as we go. Applying faith in real life better shapes this identity in the world. CCS employs the Teaching For Transformation model as a means of weaving the faith throughout a student's life and making it relevant and applicable; truly a part of who they are and who they endeavour to become. Servant-Workers, Justice-Seekers and Community-Builders are just three of the ten TFT thoughtlines that students apply on their journeys. Travelling on the path of God's Kingdom together, in community, helps us all to find our identity rooted in him and incorporate our faith consistently along the way.
