The Smash-Off

This is the hardest hitting competition Saturday morning in which each team may submit up to two players to compete. A brief warm-up will be given to all hitters. For the hits to qualify, the balls must register a speed on the radar gun, land in the court, and no net violation be committed during the hit. Players will have their choice of a coach/setter to set or toss the ball. Balls may be hit from any position requested by the hitter. All hitters will receive three hits that register on the radar gun or five hitting attempts. The top five hitters will qualify for the final in which each hitter will receive two more hits. All previous speeds will contribute to determining the winner. A “Smash King” and “Smash Queen” will be crowned.
