Connect, Learn, and Strengthen Your Parenting in the Age of Social Media

Join us on *October 26th at 6:30pm* at the secondary campus for an engaging and informative evening dedicated to understanding the ever-evolving landscape of social media and its impact on our children. In an age where technology shapes their world, it's crucial for parents to stay informed.

Discover the apps your children are using, delve into how these platforms function, and gain insights from the latest research. Learn evidence-based strategies to navigate the digital realm alongside your child, fostering a safe and supportive online environment.

Together, let's equip ourselves with the knowledge and tools to empower our children in their digital journeys. Don't miss this opportunity to connect, learn, and strengthen your parenting in the age of social media. This session is for parents/guardians only. [RSVP Here Today!](#)
