

NEW FAMILY FACTS

@the Elementary Campus

Welcome to Calgary Christian School

2024/25 theme verse:

But you are a chosen people. You are the King's priests. You are a holy nation. You are a nation that belongs to God alone. God chose you to tell about the wonderful things he has done. He called you out of darkness into his wonderful light.

(1 Peter 2:9 - International Children's Bible)

Because you are a new and vital part of our growing school, we want to ensure that you are informed, equipped, and encouraged to participate in meaningful ways.

It is our prayer that together we will enrich each other's lives. It is our hope that your student will flourish in an environment of Christian care and personalized attention. Each child is uniquely created for a purpose in God's bigger story. We look forward to helping them discover what that means for them through the CCS learning experience.

Blessings - Dan Magnan, ES Principal

PARTICIPATE

We have two wonderful parent-led groups where you can participate: Blessings and Burdens, as well as Parents Who Pray. School Council is another way for parents to stay connected to what is happening!

We're excited to partner with you, and your church, as Jesus helps your student grow as a disciple.

We will do our part through daily devotions, prayer, Bible classes, chapels and small groups. Our highest priority is good pedagogy combined with strong faith integration in the regular curriculum. This helps students look for God and practice faith in their everyday lives. We also hope your child's experience here will generate great conversations about faith and following Jesus at home!

*Thank you for choosing CCS!
