

INTRODUCING:

The Calgary Society for Christian Education is excited to announce the addition of two new members to our team.

Oluwatosin Odeleke joins CSCE as the Corporate Accountant in our Business Office. Oluwatosin is a resourceful individual who has worked for over seven years as a finance professional. She has a bachelor's degree in Accounting and an MBA in Finance and Accounting. She is a member of the Association of Chartered Certified Accountants (ACCA, UK) and the Institution of Chartered Accountants of Nigeria (ICAN). She is a calm and welcoming person, and she loves helping people.

Tammy Thiessen is our new Admissions Coordinator, but not new to CCS! For the past four years she has been an EA in the Secondary. She and her husband Johnny have been married for 34 years, and in pastoral ministry just as long. In 2012, they moved with their three sons from Vancouver, to oversee church planting in Alberta, with their denomination. Since then her family has grown to include a daughter-in-law and a grandson. Away from school, you will find her involved in interior design, running, biking, acting, boating, and hosting friends, family and ministry events. Tammy is thrilled to remain at CCS, where she can continue the relationships with students and colleagues that she values so deeply.

We would also like to take this opportunity to give our best wishes and blessings to Teena McAuley who is off to explore new endeavors. We thank Teena for her many years of hard work and commitment to Calgary Christian School & Learning Adventures Preschool. She has truly been such an asset, a blessing to our team and a joy to work with.
