- 2-0 match wins will be worth 2 points. 1-1 match ties will be worth 1 point and an 0-2 loss will be 0 points. Pool placement will be determined by these points.
- Ties within pools are decided first by the head to head match between the two teams in question. Second by total sets won divided by total sets lost. Then if necessary, total points for divided by total points against in ALL matches.
- All final placement matches (determining places 1-16) are best 2 of 3 sets. The first two sets are up to 25 (cap at 27) and a 3rd set, if necessary, will be played to 15, (cap at 17)
- We will aim for a minimum 5-minute warm-up (which includes hitting) prior to games but the referees will be working to keep the tournament on schedule. The decision of warm up will be up to the referee.
- If the game before yours is finished early we will get the next games going right away to try and get ahead of schedule if possible since there are some late games. Teams must be early to games and ready to play
- CISAA league rules will be in effect. Most notably:
  - Overhand serving is legal.
  - After 5 serves by one player the team keeps the serve but rotates to the next server.
